

LOVE RED LIVE GREEN

UNM SUSTAINABILITY

I PLEDGE

To Love Red and Live Green at UNM and in my community.

I will be more aware of opportunities

To conserve our valuable natural resources by avoiding unnecessary use of utilities such as electricity.

To recycle.

To bike, walk or use public transportation whenever possible.

To conserve water, understanding what a critical resource it is for our desert community.

My VISION for Sustainability at UNM is:

Name _____

Email _____

Phone _____

Student _____ Staff _____ Faculty _____

Please send me information on
_____ Energy Tips _____ Student Sustainability Club
